Bishop Smith further stated that if he were the pastor of a man who had been elected dispenser and who proposed accepting the position, he would urge the man to withdraw from the Church before accepting the position, and that if he declined to do so, he would, when the man accepted the position of dispenser, see that process of trial was entered against him.

E. O. Watson, President of the Board of Trustees of the Columbia Female College, presented the following:—

Greenville, S. C., Dec. 11, 1903.

To the South Carolina Conference:—

In behalf of the Board of Trustees of the Columbia Female College, I beg to report to the Conference that pursuant to the action of

the last session of the Conference directing that the Columbia Female College be enlarged and improved, and that not less than $50,000 be raised for this purpose, we have been doing all we could to get this movement under way. Dr. Jas. A. Duncan has been secured by the Board to canvass the State in the interest of the College.

Recently a proposition has been made concerning the removal of the College to an admirable site in the suburbs of Columbia. This proposition was presented last night to the Board of Trustees and the following was unanimously adopted:—

1. That the Board tenders its thanks to Mr. F. H. Hyatt and those associated with him for the very generous and handsome proposition made for the removal of Columbia Female College to the suburbs of Columbia.

2. That the President of this Board is hereby authorized to formulate and present to the Conference a paper embodying the offer made, and asking that the Board of Trustees of the Columbia Female College be authorized and empowered to act with plenary powers as to said proposition.

Pursuant to this resolution of the Board, I present the following summary of the proposition made by Mr. F. H. Hyatt and others.

Mr. F. H. Hyatt offers:—

1. Twenty acres of land in the suburbs of Columbia on an ideal site, with privilege of water supply from springs and streams on his property adjoining that offered.
2. That the street car company of Columbia will put tracks to the site, and that the Seaboard Air Line Road running immediately behind the site offered will put in a station and side tracks there.
3. $5,000 in cash.

In addition, F. H. Hyatt and W. J. Murray guarantee a subscription list to produce not less than $5,000, and F. H. Hyatt and L. T. Wilds guarantee the sale of the present property owned by the College in the City of Columbia at not less than $30,000.

E. O. WATSON, President Board of Trustees.

The privilege of the floor for the discussion of the question was granted to members of the Boards of the Conference and to Dr. Jas. A. Duncan.

R. A. Child moved to make the matter of the report a special order for Monday at 11 A. M., which motion was tabled.

The following resolution was offered by M. L. Carlisle and J. W. Daniel:—

"Resolved, That the Board of Trustees of the Columbia Female College be authorized and empowered to act with plenary powers as to the proposition of Mr. F. H. Hyatt and others concerning the removal of the College to the suburbs of Columbia,—as in the wisdom of the Board may seem right and proper, and as conditions may develop."

The following was offered by R. A. Child as a substitute:—

"Resolved, That the proposition to remove Columbia Female College to another site in the City of Columbia be referred to the Board of

Trustees of said College to take into consideration the question of removal and report their recommendation to this Conference at its next session."

After discussion on motion, the substitute was laid on the table, and the original resolution offered by M. L. Carlisle and J. W. Daniel was adopted. On motion of R. A. Child the vote for the resolution was made unanimous.

Question 6. Who are received by transfer from other Conferences? was called and the transfer of Sidi B. Harper from the Montana Conference to the South Carolina Conference was announced.

The following resolution was adopted:—

"Resolved, That with thanks to Almighty God for sparing Brother A. J. Cauthen so long among us this Conference place on record its appreciation of the exceptionally long and faithful service of Brother Cauthen, now superannuated, and that the Secretary be requested to express to him our love and fraternal regard."

REPORTS.

REPORT ON EDUCATION.

There is much that gives to the Church encouragement in its schools. The large and increasing attendance and the faithful following of our educational ideals by our institutions call the church to a larger liberality and efforts for their support. The great confidence of the public in our schools and the increased patronage have changed the question from "What we ought to do" to "What we must do." The demands of Wofford and Columbia Colleges are imperative.

The church, however, cannot meet the demands upon her simply by giving attention to higher education. The many thousand of her children who can never attend college must receive her encouragement and her influence in the public schools. For many years the State has made effort to give a primary education to all the people. Yet South Carolina perhaps has a larger percentage of illiteracy than any other state in the Union. This fact is to us a source of regret and mortification. We do not believe that as a church we have a majority of the white illiterates, but the fact remains that we have too many for our credit. That so many of the people are illiterate with the opportunity of education offered them, is unmistakable evidence that there is a lack of an educational conscience among them. There are over 478,000 children of school age in the State. Only 288,679 are enrolled in the schools, leaving 189,321 who are not enrolled. In other words, two-fifths of the children in the State do not attend school at all. Of the white children enrolled only about three-fourths attend regularly. There are three ways in which this deep indifference to education is manifested:

First: By making the needs for the child as a laborer offset his higher needs for an education, the school term in too many of our rural districts is forced to accommodate itself to that period between the making and gathering of crops.

Second: By the miserable economy practiced in the material provisions made for education, comfort and efficiency are sacrificed to a mean cheapness.

Third: By this indifference the development of a teaching profession is made impossible, as also the establishing of correct educational ideals.

To overcome this indifference by arousing in the people an educational conscience must necessarily be the work of the church. "The Southern Education Board" in its last annual meeting invoked the aid of the pulpit and press in removing this indifference. To this work we would beg our ministry to give its strongest efforts, and would urge our preachers to circulate the literature furnished by the General Board of Education for this purpose. We are glad that so many of our young preachers are availing themselves of the advantages offered by the Correspondence Course, and would urge all of them to take this course. We recommend that the Secretary of the Conference send the names of the undergraduates to the Correspondence School.

WOFFORD COLLEGE.

The President, by a full and satisfactory report, shows that three hundred and eleven students are on the campus, being forty more than was reported last year. All the running expense of the college is within the bounds of her income. The property is in excellent condition. The increased attendance demands a larger teaching force. We hereby urge that the Board of Trustees by some agency should endeavor to increase the endowment fund, so that they can meet the larger demand upon them.

COLUMBIA FEMALE COLLEGE.

From the President's report we learn that the College is now enjoying the largest patronage in her history, having enrolled one hundred and forty-eight pupils. She has reached a point when she cannot receive all who apply for entrance. Enlargement is her greatest need. The liberal offer of Mr. F. H. Hyatt for the removal of the College to another location which, if the same be accepted by the Board of Trustees, will obligate the church to lend its aid to Dr. J. A. Duncan, agent, in the raising of the fifty thousand dollars recommended a year ago.

WILLIAMSTON FEMALE COLLEGE.

There are one hundred and four pupils upon the roll. The work being done gives assurance of successful results. The invitation and liberal offer of the citizens of Greenwood to move the college from Williamston to Greenwood has been accepted. We are glad to report the brightest prospects are before this college.

FITTING SCHOOLS.

Our three Fitting Schools have each an encouraging attendance. We commend their work and efficiency as worthy the patronage of our people.

We nominate:—

M. B. Kelly as Trustee of Williamston, in place of J. E. Grier, deceased.

J. M. Rogers on the Committee of Examination for the first year, in place of P. F. Kilgo, resigned.

Rev. R. W. Barber to preach the sermon before the undergraduates.

We ask that $5,500 be assessed for Wofford College; $751 for General Education, and $700 for Paine and Lane Institutes.

We request the Bishop to appoint J. W. Kilgo, Conference Secretary of Education; W. W. Daniel, President of Columbia Female College; S. Lander, President of Williamston Female College; G. W. Walker, President of Paine Institute; L. F. Beaty, Assistant Editor of Sunday School Literature, and W. A. Rogers as Financial Agent of Wofford College.

ANNUAL REPORT OF THE EPWORTH ORPHANAGE.

Columbia, S. C., December 10, 1903.

To the Bishop and Members of the South Carolina Conference, Methodist Episcopal Church, South, Convened at Greenville, S. C., Dec. 9, 1903.

Dear Brethren:—

The Board of Managers and Trustees of the Epworth Orphanage come to you with their eighth annual report with increased gratitude for the past and augmented hopes for the future. At no period has our success been greater and our hopes brighter than at this time.

The Epworth Orphanage opened its doors and received its first children on the 20th day of January, 1896. At the close of the year there were thirty-four children in the R. L. Coleman Home. Now there are in the various homes here—the R. L. Coleman, the J. W. McLeod, the A. J. Stokes, and the Girls' home—one hundred and eight children, together with one superintendent, four teachers, five matrons, one

farmer, a foreman of the printing department, and the foreman of the marble works, giving in all the Orphanage a total population of 127. Five families are living immediately adjacent to the Orphanage property and other homes are being built near us. This part of Columbia is soon to be incorporated and will be known as Shandon.

Since the beginning of the Orphanage, two hundred and twenty-three children have been received into the Orphanage and taught in letters and in religion. During the year now closing thirty-three children have been admitted into the Orphanage and twenty-seven have gone out. Five of those dismissed have finished the course of study in the graded school here, five have been adopted into good Christian homes, one who lacked only one year of finishing school received a good position, the remaining sixteen have been returned to relatives.

DISCIPLINE.

The kind, but firm discipline of the Orphanage, can only show the children that they are the objects of love and care. The improvement in their conduct has been gratifying.

THE SCHOOL.

All the children are put in school as soon as they reach school age, and are given what is about equivalent to ten years of school life; eight grades are taught. This gives them a good high school education. The daily school term is from four to five hours. The work done has never been more satisfactory than now.

Prof. Nabers and his assistants, Misses Beasley, Godley and Wharton, are doing faithful service, and the excellent results of their labors are manifest. The children are eager to learn and with the helps given are doing well.

CHURCH WORK.

The Orphanage has Sunday School each Sunday and preaching twice a month by the regular pastor; also a sermon by the Supt., Bro. Wharton, as he has opportunity. There is a weekly prayer meeting, Missionary Society (which contributed this year for missions $15.55) and a Band of Hope. These give the children as good religious advantages and training as can be had in almost any church. Forty-two of the children have united with the church and a large number have professed saving faith in Christ this year.

Two services are held each Sunday and the Lord manifests his approval of the work.

HEALTH.

The health of this large family has been generally good.

INDUSTRIAL.

The children are all required to do a certain amount of work—about four hours each day. There are skilled heads of departments who teach the children house-keeping, cooking, laundrying, truck-farming, printing, and marble work, etc. The object is to give each child a careful training in one branch of industry.

FARM.

Though the farm has not yielded as generously as last year, owing to less favorable seasons, still the yield has been good. The products from the farm furnish food for the table and for all the stock that we have. These serve well by saving cash for other necessary expenses.

MARBLE YARD AND PRINTING OFFICE.

These have afforded more than expenses and have given opportunity to train the boys and qualify them for useful service.

HOUSE-KEEPING.

The girls are taught to sew, cook, laundry, house-keep and perform the duties of the dining room. They are divided into sets, and are on duty in each department for a month at a time.

BUILDING.

During the last year the new church and library have been completed. The church is large and comfortable. The library is largely indebted to the Hon. B. Hart Moss, of Orangeburg, for a large contribution of books which have been added to annually. These books have been a source of great pleasure and profit to the children.

FINANCE.

The Orphanage has never been on a better financial basis. Owing to liberal contributions and to wise and skillful management, we have had enough to meet the current expenses and to do some enlargement to the plant.

But we are in need of more funds to complete what has been begun in the way of building.

When we complete the much needed building now in course of erection, we then can do better and more work.

We report with gratitude another gift of 370 acres of land in Clarendon County, S. C., by J. W. McLeod, and more to follow.

Rents from lands already donated by him have been received.

The Orphanage plant is estimated to be worth $75,000.

THANKSGIVING DAY.

Thanksgiving Day was a day of gladness at the Orphanage. We have had from all over the State useful and highly appreciated remembrances. Columbia, as is her custom, gave great joy to our "Home of the Homeless." To these and to all others we render our most grateful thanks for generous contributions and good cheer.

We cannot commend too highly the able and efficient labors of our Superintendent, Rev. W. B. Wharton, who has met all demands upon him to our entire satisfaction. With favor we mention the able and faithful labors of Prof. H. Z. Nabers, who, in addition to his services as teacher and superintendent of our graded school, has made himself very useful in a general way as coadjutor to the Superintendent, Rev. W. B. Wharton. His labors seem almost essential to our success here.

The teachers and matrons and other heads of departments are highly approved by us.

The Board unanimously requests the Bishop presiding at this Session of the Conference to re-appoint Rev. W. B. Wharton as Superintendent of the Epworth Orphanage.

A. J. STOKES,
President of the Board.

RESOLUTIONS ADOPTED BY THE BOARD OF MANAGERS OF THE EPWORTH ORPHANAGE.

WHEREAS, this Board has met with grievous loss in the death of our beloved brother, J. E. Grier, Therefore be it

FIRST. RESOLVED, That in the death of Brother Grier we have lost one of our most useful and honored members; a man of noble character, sincere life and high ideals; a loyal supporter of the Orphanage, both by word and deed.

SECOND. RESOLVED, That we deplore his untimely death, and extend our sympathies to his bereaved family, and pray God's blessing upon his widow and their children.

THIRD. RESOLVED, That as a token of our love for him and sympathy for his family, these resolutions be incorporated in the minutes of the Board, be published with the Board's report in the Minutes of the Conference and in the Southern Christian Advocate.

G. H. WADDELL,
For the Board.

REPORT OF SUNDAY SCHOOL BOARD.

We record our grateful thanks to God for the measure of success which has crowned the labors of the Sunday Schools this year. A greater degree of earnestness has been aroused and we believe that the schools will increase in efficiency next year. This work is important, supremely important, in impressing upon the children and young people the need of personal religion and in bringing them to the knowledge of Christ.

Two Sunday School Institutes have been held during the year, one at Florence and one at Spartanburg; both were successful and have aided greatly in the work. The work of Dr. and Mrs. Hamill is highly appreciated and has been of great benefit.

We regret to note that less than one-half of the Sunday Schools make a report of having observed Children'sDay. We urge upon them the observance of this day and a strict compliance with our disciplinary requirements.

It is the purpose of the Board to send a circular to pastors and superintendents, giving information in regard to Children's Day, and also a blank report form to be filled and returned to the Secretary of this Board.

With earnest desire to be helpful in this work, we make the following recommendations:

1. The presiding elders are earnestly requested to hand in upon the first day of each Conference a list of the Sunday School superintendents and their postoffices. This is greatly needed by the Board in carrying on its work.

2. The preachers in charge are urged to impress the superintendents with the necessity of taking collections every day the school meets.

3. The preachers in charge are also earnestly requested to organize Bible Teachers' Study Circles.

4. We recommend that two Institutes be held in the Conference during the year.

L. F. BEATY, Chairman.

D. M. McLEOD, Secretary.

REPORT OF EPWORTH LEAGUE BOARD.

The Epworth League Board report as follows:

We have reason for thinking that there is in our State an increasing interest in the work of the League. The State League Conference of the past year was the best that had been held in our State.

The League should become a mighty factor in the spiritual and intellectual upbuilding of the young life of the church; hence we urge upon all of our brethren that they throw themselves into this great work of the church. We suggest that our Presiding Elders in the quarterly conferences give special attention to the work of the League.

We suggest that the Leagues in our State determine to give substantial aid to our Granberry College in Brazil.

P. B. WELLS, Secretary.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Your committee on books and periodicals beg leave to make the following report. We have been greatly pleased at the exhibit handed us of the Publishing House at Nashville, showing an increase of sales the present year over the past year of $16,053.48, and that the assets of the institution over its liabilities amount to the princely sum of nearly $900,000.

We have nothing but words of praise for our *Nashville Christian Advocate,* beautifully printed and ably edited; for the *Quarterly Review,* upon which Dr. Tigert, the editor, is doing some of the best work of his life. The book notices of this able periodical alone are worth far more to the preacher and intelligent layman than the price of its subscription. The *Epworth Era* is a gem, a worthy product and representative of our young people's movement. *Go Forward,* in which the *Review of Missions* has lately been merged, comes to us in handsome dress and with most valuable matter; we conider it an indispensable factor in the work of our church for missions. Our Sunday School periodicals were never so good as now. The *Magazine* is complete in all its parts, touching the whole work of the Sunday School from the infant class up. The *Children's Visitor* also deserves the highest place in our regard.

Our own *Southern Christian Advocate* is prospering under the new management. We consider that Dr. Richardson, the editor, is giving us very fine service, his editorials being strong and spiritual. We are hoping that the publisher will soon give us a better job of mechancal make up, and this he assures us he will soon be able to do. We are also sorry that the Church news notes of the paper are not more numerous. For this, of course, the pastors are largely responsible, and we earnestly hope that they will write more frequently for the paper the coming year.

Your committee would recommend to the undergraduates of the Conference especially the purchase of the newest editions of the books of the Conference Course, notably Dr. Harrison's admirable edition, in the "Doctrinal Standards" series of Wesley's Sermons.

We would also recommend the following recent publications of our house as being most stimulating to both mind and heart: "The Cob Lectures," "The Quillian Lectures," both by Bishop Hendrix: "Sunset Views" by Bishop Fitzgerald; Tillett's "Personal Salvation;" "History of Methodism" by Boswell; "Our Doctrines and Polity" by Messrs. Tillett and Atkins; Cunningham's "Sunday School History and Methods;" "Sunday School Teacher;" "The Bible and its Books" by Hamill. The four last named are in the course of our Sunday School "Bible Study Circle."

R. W. BARBER, Chairman.
J. L. STOKES, Secretary.

REPORT OF PUBLISHING COMMITTEE OF SOUTHERN CHRISTIAN ADVOCATE.

Your committee beg leave to submit the following report:

For another year the Southern Christian Advocate has gone forth on its weekly visits to the homes of our people. Not a single issue has been missed.

Dr. W. R. Richardson, its editor, has faithfully and well discharged his duties, and met the demands upon him. We commend him for his faithfulness and efficiency.

The present publisher, Rev. G. H. Waddell, took charge of the paper on January 1st of this year. Under his management the subscription list has largely increased, and we believe is now as large or larger than ever before. Every week now he is mailing out 6,723 copies of the paper. It is now on a paying basis, which it was not when he took charge. We commend the agents, the preachers, for their earnest efforts in enlarging the subscription list. Also Rev. W. A. Rogers for his faithful, efficient and successful work.

We hope these efforts will be continued, and believe it is possible to reach the ten thousand mark before a great while.

There have been difficulties incident to the establishment of a new business, and the mechanical work has not been satisfactory to your committee, and less so to our publisher, but he has been seeking to overcome the difficulties. He has now ordered a new press of the best make, has already installed a new linotype machine, and assures us that at an early date the mechanical work will be equal to the very best.

We again call the attention of the preachers to the stipulation of our contract that the agents shall make annual settlement with the publisher, and urge the importance of strict compliance with this stipulation.

We request our presiding Bishop to appoint Rev. G. H. Waddell assistant editor for another year.

Respectfully submitted. J. S. BEASLEY, Chairman.

REPORT OF THE BIBLE SOCIETY BOARD.

The committee begs to submit the following: The Bible Society is doing the greatest work in its history. The Bible is being more widely distributed than ever, in both the foreign and the domestic fields.

We are now nearing the Centennial of the organization of the British

Foreign Bible Society. March 7, 1804, was the beginning of this great movement. It is recommended by the Committee that March 6, 1904, be set apart as Bible Sunday on which this subject shall be presented to the people, and collections be taken for the American Bible Society.

As to the "Bible Society Record," it is a very valuable publication through which much information is given concerning the real achievements of the word of God everywhere. It is a monthly publication, and every pastor who takes a collection on his charge may have it free for one year. The regular subscription price is 30 cents per year. We recommend that "The Record" be more widely read and circulated among our people.

It is to be regretted that during the past year there has been a great falling off in the receipts of the Bible Society. This falling off amounts to $74,000.00. The Society is largely dependent on the churches for its support, and it is believed that if the Centennial of Bible distribution be celebrated, and the matter brought squarely before the people, this deficit may be greatly overcome.

Respectfully submitted. W. R. RICHARDSON, Chairman.

R. S. TRUESDALE, Secretary.

REPORT ON SABBATH OBSERVANCE.

The all-important question of Sabbath Observance will not yield to the many, the oft-repeated, even the imperative demands of the wicked and the worldly that the Sabbath be set aside as a hindrance to pleasure and gain. We must never forget the fact that the Sabbath idea finds its cause in the constitution of men and things as well as in the will of God.

Omniscient Wisdom devised the Sabbath for man's physical, intellectual, spiritual and material benefit.

Let us earnestly endeavor to convince our own people, aye, and all else that the Sabbath is an absolute necessity for the individual, the community, the State, the nation and the world.

The following resolutions are therefore offered:

1. Inasmuch as all strictly unnecessary labor is a violation of the Sabbath law, our people are urged to refrain from all labor which is inconsistent with the Scriptural limitation.

2. That we renew our most emphatic protest against all forms of Sunday amusement, especially against those flagrant forms which rob pleasure seekers and wage earners alike of distinctively Sabbath privileges.

3. That having carefully considered the plan for a World's Sunday Congress, in October, 1904, at the St. Louis Exposition, and being in full sympathy with the Sunday League of America, we nominate W. R. Richardson and R. E. Stackhouse as delegates, and H. W. Bays and Thos. G. Herbert as alternates, to represent our Conference in that Congress. G. P. WATSON, Chairman.

REPORT ON TEMPERANCE.

Your committee is deeply sensible of the importance of the subject assigned them for their consideration. They are impressed that active, energetic and determined work is more necessary at this time than words in the form of resolutions which, so far, have failed to stem the flood of evils flowing out of this great enemy to our common humanity.

The larger per cent. of the people of this favored land of ours are members of the church, and the church stands for that which is right, and we are forced to wonder from whence comes the support upon which this monster iniquity feeds, that it can grow in the face of the opposition of the Church of the living God?

Your committee feels that it is only necesary to call attention of this Conference to the striking fact that, instead of being diminished, intemperance, with all its attendant evils of immorality, lawlessness and disorder, is increasing at an alarming rate, to cause them to think soberly and seriously, and to take high and uncompromising ground against the traffic in intoxicating liquors for beverage purposes, in any form and by any agency.

The attitude of our church toward the evil of intemperance is plainly and strongly defined in Chapter V, page 93, of the Discipline, and we call special attention to paragraph 216 of the chapter, and urge a strict observance of and compliance with its provisions, by all our members.

The paragraph reads as follows:

"Let all our preachers and members abstain from the manufacture or sale of intoxicating liquors to be used as a beverage, from signing petitions for such sale, from becoming bondsmen for any person as a condition for obtaining a license, and from renting property to be used for such sale. If any member shall violate any of the provisions of this paragraph, he shall be deemed guilty of immorality; nevertheless, in the case of the member who shall sign a petition for such sale, or shall become a bondsman for any person engaged in such traffic, or shall rent property to be used for such sale, it shall be the duty of the pastor to deal with the offender as provided for in Chapter VII, Section

V, paragraph 299, page 126. This paragraph shall not apply to persons who are acting under instructions or decree of any Court, or who are acting as officers of the law.

We would appeal to the members of the General Assembly of our State, as an act of justice, to enact such legislation as will afford the citizens of a community in which an agency for the sale of intoxicating liquors as a beverage is established, the opportunity to express by ballot their wish as to its removal.

And, recognizing the great influence for evil which the curse of intemperance exerts, and wishing to lend encouragement to all proper efforts to get rid of its blighting effects, we most heartily commend and endorse the Christian Temperance Workers of our State, the South Carolina Temperance Law and Order League, recently organized, and the Woman's Christian Temperance Union, in their purpose to aid in building a sentiment that will bring about the reform so much needed.

We commend to the favorable consideration of all our members "The Christian Temperance Worker," published at Spartanburg under the auspices of the Christian Temperance Workers, in aid of the temperance cause.

In conclusion we urge upon our brethren throughout the entire bounds of our Conference the necessity for aggressive warfare against this monster evil with which we have to contend. We have right and God on our side, and with the proper effort on our part we will succeed.

J. W. HAMEL, Chairman.

WALTER I. HERBERT, Secretary.

REPORT ON DISTRICT CONFERENCE JOURNALS.

Your Committee on District Conference Journals respectfully report:

All the journals were before us, and our examination included the records of last year, as well as this.

The journals of Sumter, Orangeburg, Charleston and Greenville Districts are worthy of special commendation. They are, from every standpoint, models of excellence.

While the other journals are accurately kept, they give evidence of haste and carelessness in writing.

We recommend that in purchasing new journal books, the Districts secure the books prepared by our Publishing House.

The journals would then be uniform in size, and more convenient to handle.

R. E. STACKHOUSE,
Chairman Committee.

REPORT OF COMMITTEE ON MINUTES.

We have examined the accounts of the Secretary, and find them correct.

The following amount has been received from the Joint Board of Finance for the publication of the Minutes of this Session—$739.68.

We nominate Revs. E. O. Watson and S. H. Zimmerman, editors of the Minutes of this Session.

We recommend that an assessment of $1,000 be made for the ensuing year. W. C. KIRKLAND, Chairman.

C. B. BURNS, Secretary.

REPORT OF BOARD OF MISSIONS.

Your Board has carefully considered the missionary affairs of the Conference and is glad to report a growing interest in this cause. For the most part our Domestic Missions are doing well and some of

them bid fair ere long to be self-supporting. We commend the Presiding Elders for their earnest co-operation with the preachers of their respective districts in the effort to secure "full collections."

We also commend the action of the Presiding Elder of Sumter District in re-arranging certain circuits so as to save a considerable amount to the Domestic Missionary Fund, and we trust that the other Presiding Elders will do likewise wherever practicable. We urge our pastors to adopt as their motto, "Full collections for 1904." And we urge further that earnest effort be made for an increased circulation of our missionary periodical, "Go Forward." We request the appointment of Rev. E. O. Watson as Conference Secretary of Missions. An amount not exceeding $300.00 has been appropriated for the purposes of the office. We recommend that the Secretary of Missions have published and distributed, as he did last year, the percentage paid on Foreign and Domestic Missions by each charge of the Conference.

We recommend also that a mid-year meeting be held not later than March, subject to the call of the Executive Committee.

We further recommend that March 31, June 30, and September 30 be fixed as dates for payments to be made on the appropriations to the several domestic missions and also that the Conference Treasurer continue to make monthly reports through the Southern Christian Advocate of the amounts collected for missions.

Your Board will settle with the domestic missionaries of the year now closing on the basis of 83 per cent. of the appropriations.

M. L. CARLISLE, Chairman.

P. F. KILGO, Secretary.

IN MEMORIAM.

Memoirs of Preachers who died during the year 1903.

REV. JOHN ATTAWAY.

Rev. John Attaway was born in Edgefield District S. C., Oct. 14, 1835, and died in Williamston, S. C., July 14, 1903. These dates include the eventful life of an extraordinary man. He was reared under Baptist influences, but after arriving at maturity he was soundly converted and joined the Methodist Church, feeling at the same time a call to the Christian ministry. Realizing his need of educational preparation for this work, he spent what time he could in the Cokesbury Conference School, devoting himself with characteristic zeal to the duties set before him.

He was admitted on trial into the South Carolina Conference in November, 1864, and after passing successfully through the four years' course, was ordained elder by Bishop Wightman in December, 1868. His active service on circuits or missions embraced thirty-three years, and his death occurred in the sixth year of his superannuation.

His most striking characteristics were indomitable energy and unswerving devotion to duty. He was no time server. He had supreme contempt for meanness in places high or low.

While he could not be called a great preacher, he was an unusually useful and successful one. Those converted under his ministry run far up into the hundreds; and doubtless as he swept through the gates into the Beautiful City, he received a right royal welcome from many ransomed spirits whom he had started thither. If he had had better educational opportunities, he might have been enrolled among the famous preachers of our Church.

His death was caused by a complication of diseases, which subjected him to intense suffering for several months. During his protracted illness he submitted to his sufferings with beautiful patience and looked forward to his approaching end with perfect equanimity. When I asked him one day if he were ready for death, his prompt reply was, "Yes, for the last forty years." He sent messages of love to all his brethren in the Conference and invited us all to meet him in Heaven.

My faithful friend and only class-mate, fare thee well. Thy pious life and quiet death have been a means of grace to me, and it will be my constant aim to accept thy dying invitation. S. LANDER.

REV. JAMES CRASK STOLL.

Rev. James Crask Stoll was born in Charleston, S. C., May 3, 1835, and died May 30, 1903, aged 68 years and 27 days.

Our brother's child life was surrounded by conditions and influences in every way favorable to the growth and development of a distinctly religious youth. He carried with him into his school experience and into business life the sanctified teachings and restraints of a positively religious home. He was therefore never a bad boy, he was never a wild and thoughtless youth, he was never a cold and hardened character. With a sacred veneration for the holy Sabbath, an unquestioning confidence in the inspiration of the Scriptures, and a holy regard for the Church of God and all good people, it was not surprising to find him a regular and thoughtful attendant upon the services of the sanctuary, even before he became savingly united to the Lord Jesus by an act of personal faith in his saving power.

Brother Stoll was happily converted to God in March, 1858, and the following Sabbath joined the Church at historic old Trinity, Dr. John Wightman, pastor. His conversion was as clear to him as the light of day, and his faith in Christ as his Savior as satisfactory as the voice to Moses from the burning bush. His struggles against himself and his doubts lasted for days and nights together, and called out all the strength of his strong character, as Jacob contending with the angel at Peniel, but when the victory came it brought the testimony of a soul coming out of the darkness of the night into the daylight of a great experience. It was from death unto life. He never doubted his conversion for a moment from that glad hour unto the day of his translation to the heavenly world, May 30, 1903.

Our brother joined the South Carolina Conference Dec., 1858, Bishop James O. Andrew presiding. He was a great reader. He especially loved his Bible, read it carefully and studied its doctrines with painstaking earnestness, and was therefore as familiar with the theology of our Church as any member of his Conference. His mind was thoroughly logical, and his presentation of truth clear and straightforward and convincing to the last degree. He was one of our strongest preachers, ever ready to speak for his Lord. He was a good man, a man of clean lips, a man who walked with God. At the close of the year 1900 he was granted a superannuated relation. One year and a half later he fell on sleep and entered upon his reward.

J. B. CAMPBELL.

REV. JAMES ELMON GRIER.

In the county of Georgetown, South Carolina, on November 13, 1861, was born of Rev. Lemuel A. Grier and wife, Mrs. Sarah M. Grier, James Elmon Grier. To be born in that home and of those parents largely explains the noble manhood of our deceased brother. His entire life was obligated to a Christian career. Like his Lord, at the age of twelve years, being converted, he began to "Be about his Father's business." Every beginning in Rev. James E. Grier's life had back of it an unchangeable purpose. Selecting the route our Lord's life took he followed it to the end. A lover of truth, he never ceased to render strict obedience to its demands.

To no duty did our brother ever carry an unprepared mind and heart. Preparation for service always gave him great concern. To him a call to preach was a command to prepare to preach. The schoolroom entered as much into that call as did the pulpit. The circumstances of his home and community in giving him school privileges were disheartening. But he realized that the opportunity of life was not in the circumstances of life, but in himself. He was able to change conditions and to control circumstances. Our brother was not a schoolroom educated man, and yet we had few better educated men. His school room work was soon accomplished. A few years in the neighborhood school of a sparcely settled community and one year at Wofford College ended his school career. The product of this career was to give him a control of all the powers of his nature. Because he was master of his moral desires he controlled all other powers of his being. To such a man all the revealed things in the universe became his teachers.

Brother Grier was a man of remarkable judgment. His conclusions were based on logical processes and rarely was he wrong in his judgment either of men or of measures. This fact made him a safe man—one to whom men would turn for advice. He was pious. Those who knew him knew him to be a man of deep spirituality, and that without effort on his part to declare it. He despised cant. A man of genial and sympathetic nature, the young and the aged claimed his companionship. A brave man, no question arose which left men doubting as to his position.

On December 12th, 1882, Rev. James E. Grier and Miss Mary Elizabeth McNeill were truly married. It has been said that the husband and wife make one great life or destroy each other. Either of these two lives completed the other. Associated with him, the wife was made strong in womanliness; associated with her, the husband became gentle in manliness. Congenial, sympathetic, loving, faithful, she was to him the ideal wife. Love for his home was a beautiful poem wrought out of a divine inspiration. To the life of his home he never failed to make a large contribution of joy and gladness. In our own number

there are many who can testify to its Christian hospitality. To them were born six children, all of whom were left with the mother: Glenn Warren, May Allene, Bessie Louise, James Clyde, Annie Sue and Lemuel Asbury.

Our brother was a successful worker. All enterprises under his charge were faithfully cared for. In nearly all his fields of service material results followed his labors. Acquainting himself with every question before the church, he was prepared to lead the church in all her interests. As a pastor, he excelled. He knew his people and his people knew their pastor. Knew him as one worthy of their love and confidence. Following the Master, "he went about doing good." Through him God made the "blind to receive their sight and the lame to walk, the lepers to be cleansed, and the deaf to hear and the poor to have the gospel preached to them." Such were the credentials to the sincerity of his ministry. As a preacher Brother Grier was strong and impressive. He never went into the pulpit without a message fresh from the mount. Anxious alone for the success of the gospel, he always stood behind his work. His congregation saw the truth, and not the preacher; heard the Word, and not the speaker.

On August 4th, 1883, he was licensed to preach in Johnsonville circuit, Florence district. On December following he was admitted upon trial into the South Carolina Conference which met in the city of Sumter. Bayboro Circuit, 1884; North Marlboro Circuit, 1885-86; Tradesville, 1887; Orangeburg Circuit, 1888-89-90; Denmark Circuit, 1891-92-93; St. Paul's station, Greenville, 1894-95-96; Chester Station, 1897-98-99-1900; Marion Station 1901; Central, Spartanburg, 1902-03, were the charges entrusted to his pastoral care. Last December he was again appointed to Central. Never did a pastor begin a year with a brighter prospect for successful results. He did not know that the gospel he was to preach was to be a gospel of patient suffering. In March a severe cold confined him to his room. The sick man going out to visit the suffering of his congregation lapsed into pneumonia. Every vital organ became impaired. The skill of physicians could not stay the destroyer. Months he suffered; not a moment did he complain. September the 14th, accompanied by his wife and one of his physicians, he went to Philadelphia for treatment. On the 3d of October a telegram to the sorrowing children and congregation announced his death.

A few minutes before he left for Philadelphia he sent for the writer, first, that he might give directions concerning the conduct of a missionary service to be held by Bishop Warren A. Candler, in Central, on Sunday, September the 27th. Lying himself severely wounded, he never ceased to give orders for all movements of the church. He closed this last interview by saying: "My brother, in all of this experience I see the hand of a special Providence. He is leading me now to the help of the highest human skill. I do not know where He will

land me." On the last Sabbath upon earth in a church hard by the hospital where our brother lay the choir sang:

"Lead, Kindly Light, amid the encircling gloom,
Lead thou me on!
The night is dark and I am far from home;
Lead thou me on!
Keep thou my feet; I do not ask to see
The distant scene; One step enough for me."

That song was the divinely appointed vehicle which brought Angels "to minister to him." Led by that "kindly light," James E. Grier was "landed" where he is alive forevermore.

REV. WILLIAM ASBURY WRIGHT.

William Asbury Wright was the son of William Francis and Martha Catherine Sylveston Wright, he of the sturdy Scotch Irish stock and she of Huguenot extraction. He was born in the Providence section of Sumter County, S. C.

His father, a man of high character and much intelligence, was the boy's first and most influential teacher. Later he attended school in Columbia S. C. In 1886 he was licensed to exhort; the following year to preach. At once he was sent to serve as Junior preacher with Rev. J. E. Rushton on the Society Hill Circuit. From this charge he was recommended to the Annual Conference and was received into this body at Winnsboro, November, 1888. He was returned to a part of the divided circuit to serve for the years 1889 and 1890. Here he gave earnest of the zealous and successful labors of the following years. There was a large ingathering of souls and three new Churches were built. Conway Circuit was his next charge, which rapidly developed and became self-supporting under his care. In 1893-94 he labored on Cypress Circuit where, perhaps, his hardest and most lasting work was accomplihed. While on New Zion Circuit in 1895-97 he built one of the prettiest country churches in Clarendon County. In Barnwell, in 1898-99, he had much success, and not only added many to the Church, but built a beautiful preacher's home at the county seat. At Branchville, in 1900 and 1901, he did his usual excellent work. At Fort Mill, in 1902 and 1903, he organized his forces and led them to victory as he had done elsewhere. His last sermon was preached in the Laurel Street Church, Rock Hill, S. C., where he was assisting in a protracted meeting. He went home to a lingering illness of several weeks, and at last quietly

fell asleep in Jesus, Friday, December 4, 1903. His mortal remains were laid to rest at Hartsville, S. C.

Brother Wright married Miss Sudie L. Wright, March 5, 1890, and leaves her and one son (little Willie) to our loving care, and that of the Father of the fatherless and Husband of the widow.

Brother Wright was a man whose life should be an inspiration to all our young preachers. He struggled against and overcame mountains of difficulty. We are only sorry that he taxed his body, never very strong, beyond its power to endure, and, as we see it, died before his time. But the simple record of his blameless youth and manhood, of his quenchless zeal, of his high ideals and worthy achievements should stir us all to new diligence in our Master's work.

MEMOIRS OF MRS. LAURA A. MOOD, MRS. ABIGAIL L. MARTIN, AND MRS. MARY COPELAND.

Preachers wives who died during the year 1903.

Mrs. Laura A. Mood, widow of the late Rev. Henry M. Mood, finished her course Christmas day of the past year, and went to the blessed realm where her ascended husband had waited her coming. Converted in early childhood, she walked with God all her days. Giving heart and hand to the minister of Christ, she entered the itinerancy when that step meant privation unknown in more favored times, and wheresoever appointed she went willingly and gladly. In every place the sweetness of her spirit and faithfulness of her life strengthened the hands of her husband and won souls to her Lord. When left alone by the death of Brother Mood, she continued her saintly way until the Advent Day, when she was called by the Prince of Life to the country of life everlasting.

Mrs. Abigail L. Martin, widow of the Rev. A. P. Martin, entered into the rest of the people of God in the early part of the year. Converted when a child, she was faithful to the end. In the itinerancy, she was a true helpmeet to her husband. Gentle-spirited, earnest and capable, she made herself felt for every good word and work. During her long widowhood, she held unswervingly to the path of duty and walked it with unfailing cheerfulness and unwearying industry. Finally her Lord called her home. "Blessed are the dead which die in the Lord."

On May 6, 1903, Mrs. Mary Copeland, wife of Rev. J. R. Copeland of this Conference, fell on asleep. With her husband she entered the itinerant ranks in November, 1889, and with him she went at the appointment of the Church, and toiled not only to make a home for God's ambassador, but in woman's way to persuade the lost to seek life. "She did what she could," and her labors were not in vain. Husband and children call her blessed, and others will be forever thankful that she pointed the road to heaven and led the way. Contented, cheerful, courteous and compassionate, that road to rest eternal grew brighter and brighter until she entered in through the gates into the city.
